Birthdays on Location
We can bring parties to your home for a \$40 travel fee.

Note: At each party the focus is on the **children having fun while learning** a skill and getting the joy of accomplishment by doing it themselves. So...no more than 3 adult guests may stay (\$25 each addl. adult). While parents are waiting for pickup, they might go to our cute neighborhood coffee shop, art gallery or walk around the Silvermine River.
